

A charity leading innovation in mental health

Scholarship in Psychiatry Elect to make a difference

St Andrew's is the UK's leading mental health charity providing specialist NHS care. We also train clinical leaders for the future. That's why we offer the St Andrew's Scholarship in Psychiatry.

We want to hear from outstanding medical students, currently enrolled at a UK based university, who are interested in an elective placement in psychiatry in the UK or overseas. Tell us about how your placement will help you to make a difference.

If you are successful, you will be eligible for funding of £2000 towards your elective placement in psychiatry

Application deadline Sunday 18 December 2016/
